

Our greatest fear is not that we are inadequate

Our greatest fear is that we are powerful beyond measure

It is our light, not our darkness that most frightens us

We ask ourselves, "*Who am I to be brilliant, talented, fabulous?*"

Actually, who are you **not** to be? You are a child of God

Your playing small doesn't serve the world

There's nothing enlightened about shrinking so that other
people won't feel insecure around you

We were born to make manifest the glory of God that is
within us.

It's not just in some of us, it's in ALL of us

As we let our own light shine, we unconsciously give other
people permission to do the same

As we are liberated from our own fear, our presence
automatically liberates others
